

Good Friday Afternoon CBRCC Partners:

I hope this email finds you all healthy and well. The Payment Protection Program [application](#) is now live and we encourage all of our business partners to take advantage of this program utilizing the help of your banking establishment and personal lender. The Brevard Business Community COVID-19 Response Team hosted a webinar today to discuss this new program (and others) and how to work with your lender.

If you were unable to join us, below is a link to a recording of the webinar. Please share with anyone you feel may find it valuable

Additionally, we have compiled a list of resources and documents related to the conversation and questions and created a DropBox folder for all to access. Please note, we may continue to add documents as changes are made or new information becomes available.
